

# ARIZONA FAMILY R&R COVID-19 INFORMATION

- All houses are cleaned by contractors **in advance of** and **directly following** each guest stay.
- The **CDC's** guidelines for disinfection facilities will be the standard for these efforts.
- **Cleaning supplies**, including disinfecting spray, are located in **each house** under the kitchen sink.
- It is the **guest's responsibility** to clean/disinfect during their stay as they deem necessary.
- Boulder Crest Arizona asks that if you become symptomatic **2 weeks before, during, or 2 weeks after** your stay, that you please notify the office immediately.
- **Please contact us if you have any questions or concerns.**
